

HUGO

(McLAREN VALE, SOUTH AUSTRALIA)

www.hugowines.com.au

Hugo Wines is situated in the McLaren Vale wine region which continues to build on its reputation as a source of quality wines not only from the big national labels but also from some of the smaller boutique wineries. Such recognition has been awarded to Hugo Wines whose origins date back to 1970 when John Hugo followed in his father's footsteps on the family vineyard at McLaren Flat. John produced his first Shiraz in 1979 and the Cellar Door was opened in October 1982.

John's father Colin Hugo planted the original vines dating back to 1950. The vineyard of approximately 30 hectares includes varieties such as Sauvignon Blanc, Chardonnay, Shiraz, Cabernet Sauvignon, Cabernet Franc and Grenache. Consistency in regard to quality is what Hugo Wines' strive for, and the fact that all of the fruit is estate grown makes the job that much easier.

The climate soils and proximity to the coast are also contributing factors in maintaining the quality of the wines produced by the Hugo family.

Vineyards Estate grown. McLaren Vale, South Australia.

Tasting Notes Clear, ruby/garnet of medium intensity. Fragrant and lifted aromas of mixed toasted spice and gingerbread combine with the berry and cherry fruit to provide lovely complexity. The spicy flavours flow to the palate with some savoury notes as well as dark ripe brooding fruit characters. The flavour lingers with silky and rounded tannins.

Serve with Serve with Antipasta platter, Mustard and sage pork cutlets with red wine cabbage.

Cellaring Drinking well and will continue to develop.
